Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including any change of use

Upgrade of footpath 508 with new link and bridge over the Hermitage Stream to create a 3m wide shared pedestrian, cycle and mobility vehicles route from Park House Farm Way to Fitzwygram Way; associated removal of concrete play area and reinstatement as grassed/landscaped area

Has the work or change of use already started?

◯ Yes
⊘ No

Existing Use

Please describe the current use of the site

The proposed route is approximately 800m long from Park House Farm Way to Fitzwygram Way of which 600m lies on the already established Footpath 508. The remaining 200m is to be constructed through woodland to the west of the northwestern tip of Footpath 508.

Is the site currently vacant?

◯ Yes
⊘ No

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

◯ Yes
⊘ No

Land where contamination is suspected for all or part of the site

◯ Yes
⊘ No

A proposed use that would be particularly vulnerable to the presence of contamination

◯ Yes
⊘ No

Materials

Does the proposed development require any materials to be used externally?

◯ Yes
⊘ No

⊘ No

c) Features of geological conservation importance

◯ Yes, on the development site
◯ Yes, on land adjacent to or near the proposed development
⊘ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Biodiversity net gain

Biodiversity net gain is a legal requirement for planning permission introduced on 12 February 2024. All applications are required to either provide detailed information proving there will be a biodiversity increase; or explain why the requirement does not apply to the development.

Do you believe that, if the development is granted permission, the general Biodiversity Gain Condition (as set out in Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended)) would apply?

⊘ Yes
◯ No

Details of the pre-application advice received

Advice sought on the Preliminary Ecological Assessment report and Biodiversity Net Gain calculations carried out by an external consultant. Pre-application comments from Planning Services regarding the PEA report and BNG calculations demonstrate confidence in the consultant's reliability and its ability to produce reports of the quality required to support the application.
Advice was also sought from HCC Countryside team about the surfacing for the route and it was advised that the path be surfaced to Countryside design standards

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- [x] Yes
- [ ] No

If yes, please provide details of their name, role, and how they are related:
