Hi Jennie,

Thank you for consulting me on the above application.

I have reviewed the plans for which relate to No. 4 Pook Lane, a locally listed building (NDHA). I can confirm that I have no heritage related concerns with regards to the proposed alterations to the fenestration designs / layout and am happy for these to be treated as a non-material minor amendment.

Please let me know if you have any further queries.

Kind regards

Rachael

In August 2025, the council moved to a new case management system, across Planning Development, Licensing and Environmental Health. This change involved moving 25 years' worth of data from multiple systems into one new system and learning how to use the new system.

Our officers have been working hard to continue working throughout the change, but there was a period of downtime, and we are still working through some of the backlog. As a result, our response times are longer than usual, and we apologise for any inconvenience this may cause.

Thank you for your understanding and patience.
