For attention of Ms Pickup

Dear Madam

Re: APP/25/00950 At Petrol Filling Station, 97 Park Lane, Bedhampton, Havant, PO9 3HQ

Proposed new 3m high screening to existing 2no new jet wash bays (previously approved by APP/24/00502) with lights fixed to screen; and lances above to support hoses. Associated landscaping.

I refer to the consultation on the above planning application and would make the following comments.

APP/24/00502 permitted two separate jet wash bay with a central drain within each bay. This application seeks a 3m fence screening the permitted jet wash bays and the Highway Authority consider this will not have any impact on the highway network.

Having regards to the above the Highway Authority would recommend –

No objection (no conditions)

Yours faithfully,

Stuart Morton
