Planning Consultation: Discharge of Conditions 20, 28,29,32 & 36 (re: APP/24/00312) as they relate to Phase 5 Control Room.

Location: Havant Thicket Reservoir Site.

Thank you for your consultation.

Natural England currently has **no comment** to make on the discharge of Conditions 20, 28,29,32 & 36.

If any of the conditions relate to protected species, please note the following:

We have not assessed this application and associated documents for impacts on protected species.

Natural England has produced [standing advice](#) to help planning authorities understand the impact of particular developments on protected species. We advise you to refer to this advice. Natural England will only provide bespoke advice on protected species where they form part of a Site of Special Scientific Interest or in exceptional circumstances.

Should the proposal be amended in a way which significantly affects its impact on the natural environment then, in accordance with Section 4 of the Natural Environment and Rural Communities Act 2006, Natural England should be consulted again. Before sending us any further consultations regarding this development, please assess whether the changes proposed will materially affect any of the advice we have previously offered. If they are unlikely to do so, please do not re-consult us.

Yours sincerely

Paul Scott
