**Retrospective application for the erection of wooden fence comprising smooth-planned horizontally mounted boards with 30cm trellis on top, total height 2.1m, matching side gate between rear gardens of 26 and 28 West St.**

Hi Denise,

Thank you consulting me on the above application. I have reviewed the application documents and am satisfied that the fence / trellis, does not result in harm to the significance of the Emsworth Conservation Area. Therefore, no objection is raised.

Kind regards

Rachael
