

Dear Planning Development Team,

Please accept this email as my formal objection to planning application APP/25/00745 for 4 Anthony Way, Emsworth PO10 7RZ. [REDACTED]

[REDACTED]

**Key objection – unacceptable loss of privacy/overlooking:**

The plans show a new opening on the east elevation labelled “new high level window non opening with obscure glass” [REDACTED]

[REDACTED] I object to the introduction of any new window/opening [REDACTED]

[REDACTED]

**Parking/access impact:**

The proposal intensifies the site from one dwelling to two separate dwellings, increasing parking and servicing pressures in an already constrained area. [REDACTED]

[REDACTED] and the tight layout makes obstruction/overspill parking a real and foreseeable risk.

Please ensure the case officer visits and assesses the relationship from No.4A’s garden before determining the application.

For these reasons, I request that the application is refused, or at minimum amended [REDACTED] and parking/servicing arrangements are clearly demonstrated as workable without causing obstruction.
