Thank you for consulting Environmental Health (pollution) regarding the above application to enable the premises to remain open to customers until 02:00 on Friday and Saturday nights and until 00:00 every other night of the week

The document entitled 'Acoustic Assessment at KFC Bedhampton, Larchwood Avenue Bedhampton | Document Ref: 472526' (dated 30/11/25) [prepared by Ned Johnson Acoustic Consultants Limited] has been reviewed.

I am satisfied that the assessment has considered appropriate guidance and that the report, methodology, calculations and findings are reliable.

Noise from activities at the drive through are not anticipated to result in adverse impact at the nearest sensitive receptor during the proposed extended hours of operation.
