Hi Jennie,

Thank you for your email. We are happy to confirm we will use timber hoarding as per their recommendations for the perimeter of the build, that is fine.

I hope this helps.

Kind regards,

Hi Alfie,

I've just had the below official response back from Environmental Health. If you're happy to use timber hoarding as per their comments and can confirm in writing then conditions 6 and 7 can be discharged.

Kind regards,

Jennie Fox
