DM8 (Conservation, Protection and Enhancement of Existing Natural Features

Havant Borough Local Plan (Allocations) July 2014

5. Statutory and Non Statutory Consultations

6. Publicity and Community Involvement

This application was publicised in accordance with the Council's Local Code of Corporate Governance and the Statement of Community Involvement.

7 Planning Considerations

7.1 Having regard to the relevant policies of the development plan it is considered that the main issues arising from this application are:

Whether the degree of pruning works requested would undermine the amenity value of these trees and whether this could also be harmful to their ongoing health and vitality.

7.2 My recommendation relates specifically to assessing the proposed works rather than generally considering the tree's health and condition in any great detail and deals with the relevant issues that have been raised on site and in the application form. The recommendation made within this application is formed from a desktop based examination in line with BS 3998.

7.3 The trees are of a poor quality and there only benefit being one of ecological value - Raise no objection to the proposed tree works.

8 Conclusion

Recommend Permit

9. RECOMMENDATION:

That the Executive Head of Place be authorised to Approve with Conditions application APP/25/01032
