

Dear Sir or Madam,

YOUR Ref : 6942

I wish to add my objection to [REDACTED] others to the proposals for the erection of a 2-storey detached dwelling within the existing garden of 4 South Close in Havant PO9 2TD.

I cannot usefully add any further points to those set out very cogently in [REDACTED] letter of objection submitted to the Council earlier in January, except to confirm my strong support.

Overall, the proposed development is an overdevelopment of an existing plot that will cause harm to the character of the Wade Court area and amenity of neighbouring properties visually, architecturally, safety-wise (eg residential car parking and turning of medical and delivery vehicles) and lack of privacy [REDACTED]
