Location: Hayling Island Golf Club, Links Lane, Hayling Island, PO11 0BX

Condition 3 - Construction Management Plan

The Hayling Golf Club Hayling Golf Club Construction Environmental Management Plan (CEMP) & Method Statement v4.0 (dated 20th November 2025) has been reviewed.

I am satisfied that the proposed management measures are appropriate for the scale of the works and that construction activities are not anticipated to result in adverse impacts to residential amenity.

Matters relating to ecology, biodiversity and conservation are not within the remit of this department.

Environmental Health (pollution) has no objection to the condition being discharged.

Kind regards,

Craig Milligan

Environmental Health Officer
