Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Replacement of existing garage with single storey family/guest suite

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The land is occupied by a 4 bedroomed residential property with a garage and out buildings that has existed for over 80 years and pays council tax as a residential property

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Permitted development rules

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The single storey structure replacing the garage is to provide accommodation and guest space for friends and a vulnerable family member who visits often. They will eat with the family but also have their own space when needed. The suite does not include any kitchen facilities as these will be shared with the house, we believe it is therefore incidental to the main use of the property.

We believe this structure being more than 2m from any boundary with eaves lower than 2.5m and a ridge lower than 4m, behind the principle elevation of the house, not covering more than 50% of the land remaining after the original house was built and built in matching materials is covered under permitted development.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☒ Owner
☐ Lessee
☐ Occupier
☐ Other
