For attention of Mr Eaves

Dear Sirs

**Re: APP/25/00588 At Langstone Technology Park, 2B Langstone Road,
Havant, PO9 1SA**

**Discharge of Conditions 5, 20, 21, 22, 40, 41 and 43 of Planning
Permission APP/22/00172**

Thank you for your consultation on the above discharge of condition application relating to the discharge of condition 5. The Highway Authority previously recommended no objections to the discharge of this condition within a formal response dated 24 November 2025 relating to the phasing plan of the Technology Park, however further amendments have now been sought.

The covering letter references that drawing 11629-PL-006 Rev C outlines the revised phasing plan. This does not appear to be on the planning portal however based on the narrative provided within the covering letter, the Highway Authority are content that this does not alter the previous position of the Highway Authority. No objections are therefore provided to the discharge of condition 5.

I trust that the above is clear but please do not hesitate to contact Sophie Osborne on the above contact details should you require any further Clarification.

Yours faithfully,

Sophie Osborne
Senior Transport Planner - Highway Development Planning

Deputy Chief Executive and Director of Hampshire 2050
Gary Westbrook
