a summer house and
and another caravan
in garden of 33 Middleport
Weg - 33A will be address
we do not want this
he is a bully and thunts
he owns the road
he purposeley blocks
end of entrance so
people cannot get their
vehides down the path
way to their garages
at back of houses
leaves car-bins, pick
up truck all in the way
on purpose, maybe get
someone to take a
look and see, but he is

not a person to get on
