For attention of Ms Wells

Dear Madam

Re: APP/25/00974 At Land to the west of Hulbert Road, Havant

Advertisement Consent for proposed siting of 3 No. (non illuminated) fascia signs adjacent to the public highway.

Thank you for the consultation on the revised temporary signage proposals. It is noted that sign 3 has been removed from the proposals and the remaining signs 1 and 2 remain in the same location. No highway boundary details have been provided on the plans. The Highway Authority consider that the proposed signs remain within the adopted highway and therefore as per our previous response the provision of the signs is not supported. The applicant should either relocate the signs or demonstrate that they sit on land outside the adopted highway.

Yours faithfully,

Holly Drury
