Existing side elevation
Walls are pale painted render in poor condition.

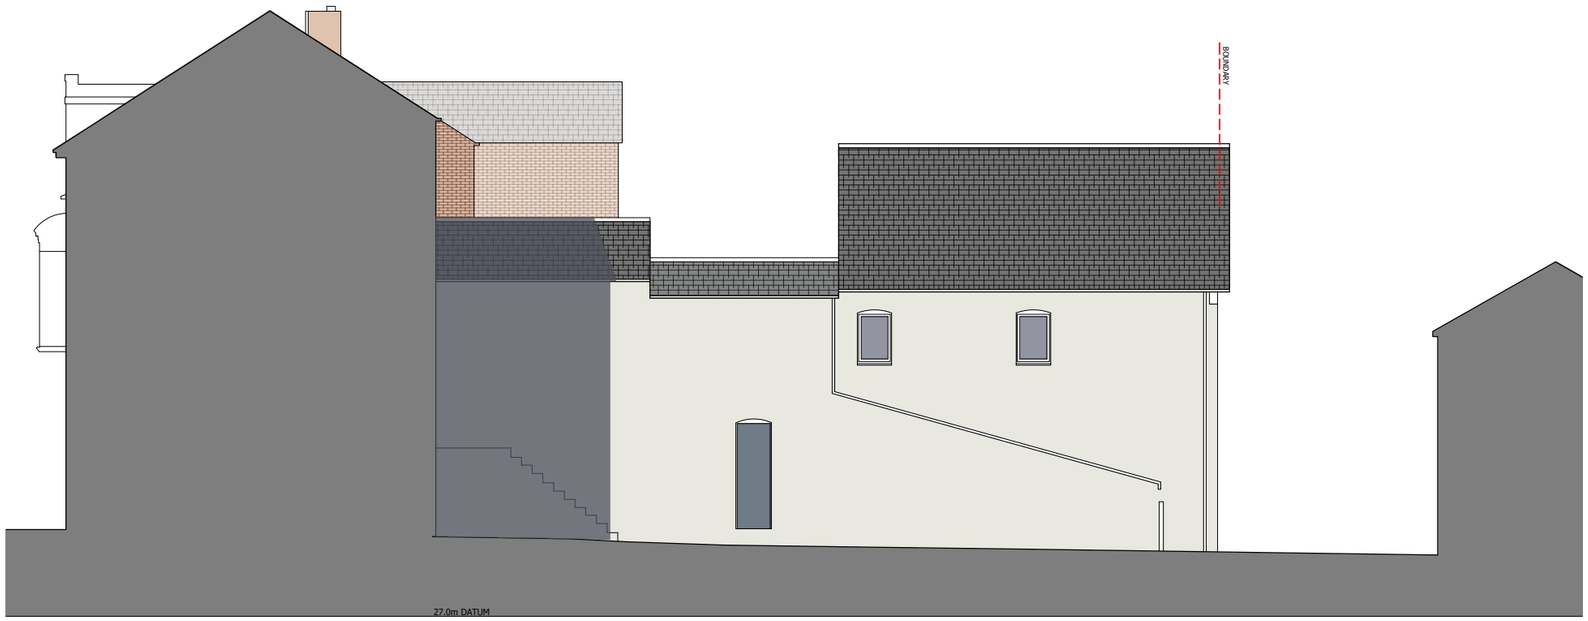
The upper floor would be demolished and rebuilt in lightweight timber construction with external cladding.
Majority of the ground floor wall construction to be partially rebuilt in dark brick or painted dark grey to match brick.

New external cladding.
Rockpanel or similar
Suggested pale / neutral colour on the Co-Living volume at the back.

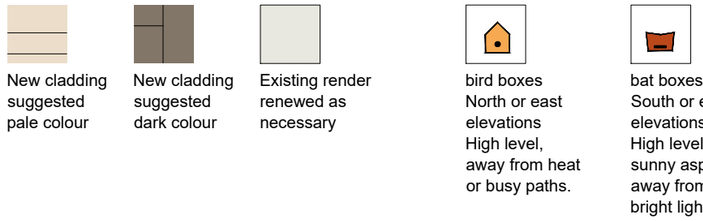
Darker grey colour on new external walls at the centre of the development.

Indicative colours suggested from the Wood range

New external cladding.
Rockpanel or similar
(suggested darker grey colour on rear volume.
Pale / neutral colour on volume at the front.
All in stone or wood finish.



EXISTING



PROPOSED

SOUTH WEST ELEVATION
SIDE - 1:150

0 5

NOTES:

This drawing has been prepared for PLANNING APPLICATION and is not to be used for any other purpose. Dimensions are indicative and should be referenced against measured surveys only.

This drawing is the property of LUNDI ARCHITECTS and must not be reproduced, in part or whole, or deviated from, without their permission.

All external walls to be upgraded acoustically, which will include both appropriate external cladding and facing materials and insulation.
New windows will be double glazed with restricted openings where needed.
