Site Address: Household Waste Recycling Centre and Pumping Station, Fishery Lane,
Hayling Island, PO11 9NR

Proposal: Hampshire County Council Consultation for Variation of condition 1 of
Planning permission APP/16/00323 (Timescale)

I refer to the above consultation received on 24 November 2025 which is to be determined by the County Planning Authority and referred to me for the formal observations of this Council as Local Planning Authority, and write to confirm that the application has been considered under delegated powers.

This Council **No Objection** to the development as described above subject to the following:

Informatives:

1	Please note that Planning Practice Advice suggests that it is rarely justifiable to issue repeat temporary consents unless there is a clear rationale provided to do so. Further permissions should be granted permanently or refused. After 30 years of repeated temporary consents for this use on this site, it is suggested that unless a clear justification is provided for continued temporary consents, then the use should be made permanent, with appropriate re-consultation.
2	<p>In accordance with paragraphs 38-50 of the NPPF Havant Borough Council (HBC) takes a positive and proactive approach and works with applicants/agents on development proposals in a manner focused on solutions by:</p> <p>Offering a pre-application advice service, and</p> <p>Updating you of any issues that may arise in the processing of your application and where possible suggesting solutions, and,</p>

	<p>In this instance:</p> <p>Your application was acceptable as submitted and no further assistance was required.</p>
