

Dear Mr Eaves

APP/25/00862 48 Park Lane, Havant PO9 3HL

Further to our email correspondence, I have pleasure attaching drawing PL04A to be substituted for PL04 currently on file.

The drawing has been updated to confirm the obscure glazing and with the window cill raised to 1.7m above FFL.

We look forward to receiving the decision notice soon.

Kind regards

Tracey Parker
