For attention of Ms Fox

Dear Madam

Re: APP/25/00614 At 87 Havant Road, Emsworth, PO10 7LE

Erection of a D6 small format Digital LED Advertising Display

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wishes to make the following comments.

The applicant has provided an updated site plan 25542 PA 03 which shows that the proposed advertising board has now been relocated off of the publicly maintainable highway. Given that this resolves our only previously outstanding issue with this proposal, the Highway Authority are now content with this proposal.

Recommendations

The previous concerns with the application have been addressed and therefore the Highway Authority have no objection to the proposals subject to the following conditions:

LUMINANCE

The illumination of the consented sign(s) shall be no greater than 400cdm/2 and no light source shall be visible from the highway.

Reason: In the interests of highway safety

Yours faithfully,

Director of Universal Services
