BARCHESTER CARE HOME

Introduction:

The proposal is for signage at the newly constructed Barchester Care Home and consists 1x set of individual non illuminated letters and logo and 1x none illuminated post mounted directional sign.

A previous application for signage was approved on APP/25/00908 and is shown on the submitted drawing 197927 HAZELTON GARDENS.

An additional set of letters is required to identify the building from the easterly direction and a sign to the perimeter to direct visitors and services to the entrance as shown on the proposed drawing
