Hi David,

Yes, that's correct - apologies, I had thought it was to be attached to the existing.

If you have any queries, please don't hesitate to contact me.

Kind regards,

In August 2025, the council moved to a new case management system, across Planning Development, Licensing and Environmental Health. This change involved moving 25 years' worth of data from multiple systems into one new system and learning how to use the new system.

Our officers have been working hard to continue working throughout the change, but there was a period of downtime, and we are still working through some of the backlog. As a result, our response times are longer than usual, and we apologise for any inconvenience this may cause.

Thank you for your understanding and patience.
