For attention of Ms Donophy

Dear Madam

Re: APP/26/00066 At 33 St James Road, Emsworth, PO10 7DW

Variation of Condition 2 of Planning Permission APP/25/00028 to allow hair salon to remain permanent use.

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wishes to make the following comments.

This application seeks approval for the permanent installation of a temporary hair salon. The Highway Authority submitted a response to the initial application (APP/25/00028) dated 27th February 2025 in which the Highway Authority raised no objections to this proposal. It should be noted that the condition was not placed on this application because of highway-related matters. Therefore, given this proposal will not oversee any significant alterations to the approved plans, and the site has successfully functioned as intended for the past year, the Highway Authority maintains our previous view and does not raise any objections to this proposal.

Recommendations

These proposals have been considered and in review are not anticipated to result in a significant impact to the safety or operation of the local highway network. Therefore, the Highway Authority have no objection to the proposals.

Yours faithfully,

Director of Universal Services
