### Address

95 North Street, Emsworth, PO10 7PQ

### Planning Permission

APP/25/00704

### CIL Liability

This notifies you that you will be liable to pay **£47,678.57** of Community Infrastructure Levy to Havant Borough Council as CIL collecting authority on commencement of development of planning permission APP/25/00704. This charge is levied under HBCs CIL Charging Schedule, and S211 of the Planning Act 2008.

### HBC

Description	Chargeable Area (sqm)	Rate	Index	Area Charge	Relief	Total
Residential Ems/HL	267.00	£100.00	1.786	£47,678.57	£0.00	£47,678.57

CIL Total for this charging authority

Total Liability for HBC	£47,678.57
-------------------------	------------

### Total CIL Liability

<b>£47,678.57</b>
-------------------

Area Totals (sqm)

Total Development	267.00
Demolitions*	0.00
Existing Use*	0.00
Chargeable Area (HBC)	267.00

\* Demolished floorspace and existing floorspace are only included above if eligible for deduction from the

chargeable area.

### **How we calculated this figure**

We calculated this figure using the formula below as set out in Schedule 1 of the CIL Regulations 2010 (as amended):

$$\text{The CIL Total Area Charge} = \text{Chargeable Area (A)} \times \text{Rate (R)} \times \text{Index (I)}$$

The Chargeable Area is the gross internal area of the total development less the floorspace of any existing buildings which are eligible deduction.

**To be eligible for deduction, the existing buildings must be situated on the relevant land on the day planning permission first permits the chargeable development and be 'In Use'.**

A building is defined as being '**In Use**' if part of the building has been in continuous use for a period of at least six months within the period of three years ending on the day planning permission first permits the chargeable development.

The charge will be index linked based on the following formula:

$I_p/I_c$  where  $I_p$  is the index figure for the year in which planning permission was granted and  $I_c$  is the index figure for the year the charging schedule took effect (2012), using the national All-in tender price index published by the Building Cost Information Service (BCIS).

$$\text{The CIL Total Area Charge} = \text{Chargeable Area (A)} \times \text{Rate (R)} \times \text{Index (I)}$$

The Chargeable Area is the gross internal area of the total development less the floorspace of any existing buildings which are eligible deduction.

**To be eligible for deduction, the existing buildings must be situated on the relevant land on the day planning permission first permits the chargeable development and be 'In Use'.**

A building is defined as being '**In Use**' if part of the building has been in continuous use for a period of at least six months within the period of three years ending on the day planning permission first permits the chargeable development.

The charge will be index linked based on the following formula:

$I_p/I_c$  where  $I_p$  is the index figure for the year in which planning permission was granted and  $I_c$  is the index figure for the year the charging schedule took effect, using the national All-in tender price index published by the Building Cost Information Service (BCIS).

### **New liability notices may be issued**

Any change in the details contained in this notice which affect the calculation of the chargeable amount will lead to the Council issuing a new liability notice. Changes requiring a new calculation of the chargeable amount may arise from:

- A change to the liable party
- Granting of a Community Infrastructure Levy relief
- Any existing buildings deducted from the CIL-liable floorspace are subsequently found not to have qualified as being 'In Use' (defined above) for a continuous period of at least six months within the period of three years ending on the day planning permission first permits the

chargeable development

**Please note it is your responsibility to notify us if:**

- There is a change in the liable party. In this case, please complete Form 3: Withdrawal of Assumption of Liability Form and or Form 4: Transfer of Assumed Liability Form
- The liable party's contact details change
- There are any changes in the floorspace details involved in the chargeable development. In this case, please submit a new Planning Application Additional Information Requirement Form

**Are you eligible for relief from CIL?**

Relief is not offered.

**When will this CIL amount be due for payment?**

If the payment procedure is followed correctly, this CIL amount will be payable in the following manner:

3 instalments: 25% of the levy 60 days from commencement; 25% of the levy 180 days from commencement; 50% of the levy 240 days from commencement.. The council's CIL Instalments Policy can be viewed online:

[www.havant.gov.uk/sites/default/files/documents/Adopted%20instalments%20policy.pdf](http://www.havant.gov.uk/sites/default/files/documents/Adopted%20instalments%20policy.pdf)

**You must notify Havant Borough Council of the date on which you intend to commence development by submitting a valid Form 6: Commencement Notice (this is not the same as a commencement notice submitted to Building Control).**

Payment of the CIL chargeable amount will be due in full on the day that development commences. If a valid Form 6: Commencement Notice has not been submitted before development commences, payment of the CIL amount will be due in full on the day that the collecting authority believes the development to have commenced. Interest and surcharges will also be applied as set out in the CIL Regulations.

**Consequences of non payment**

If you fail to follow the payment procedure described above, the collecting authority will impose surcharges on this liability. Persistent failure to pay CIL liabilities due may result in the collecting authority imposing surcharges, serving a CIL stop notice prohibiting further development on the site and/or taking action to recover the debt due. Please see the document published by the Department for Communities and Local Government on the [Consequences of failing to following the CIL Payment procedure](#) for further information.

Late Payment Interest will also be applied as set out in the CIL Regulations.

**The amount of CIL liability in this notice is a local land charge**

This CIL liability has been registered as a local land charge against the land affected by the planning permission in this notice. This charge will be cancelled on full payment of this liability.

**Do you think we have made a mistake in our calculations?**

You can ask us to review our calculation, please note that there is a time limit of 28 days from the date of this notice regarding this action. If you are unhappy with the calculation following this review, you can appeal to the Valuation Office Agency. Please see the Planning Portal note on the Appeals Procedure for further information.
