Subject: RE: APP/26/00006 Fiscal House.

Good morning Lesley,

I'm not sure how accurate these images are, given that the cars shown appear to be toy cars! Also, most of the images showing the view from the A259 at the top of the Mill Pond conveniently show the roof of the proposed building covered with a tree! I don't think there is anything to add to our original objection dated 2nd March 2026 (except for correcting the site description from a Solicitor's Office to a gym, apologies for that).

Regards,

Linda.
