Average occupancy to include in Solent Nutrient Calculator: **2.60**

Instructions

This calculator is intended to be used alongside Natural England's Solent Nutrient Budget calculator. It will provide the average occupancy rate to be used in stage 1 of the budget calculations.

Please input the gross new homes to be built in the scheme subject to the planning application together with any losses which are proposed. These must match exactly the units proposed through the application form for the development.

The result of the calculator can be printed or saved as a pdf.

This calculator, together with Natural England's Nutrient Budget must be submitted with your planning application alongside the Council's European Sites Avoidance and Mitigation Checklist.
