Subject: FW: Planning proposal APP/26/00170 Urgent action please

Paul,

When I saw the original application, it looked like a one-for-one replacement of the original AppleGreen lighting, but I hadn't seen it at night.

[REDACTED] has pointed out that it's not at all comparable.

Please can I red card it, and give us time to visit the site at night?

Very many thanks

Cllr Wilf Forrow, Hayling West
