Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Having reviewed the history of the property and site, we understand permitted development rights apply and have not been removed. Therefore a development under Class A would be lawful.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

JB Architects drawings: PL.994.26.01.A, 02 & 03.B
JB Architects Permitted Development Design Checklist

Is the proposed operation or use

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed development at 15 Marlborough Park meets the requirements of Class A – enlargement, improvement or other alteration of a dwellinghouse of The Town and Country Planning (General Permitted Development) (England) Order 2015. It is therefore considered that a certificate of lawfulness application should be permitted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
