

Planning Application Reference: APP/25/01004

Description: Hampshire County Council Consultation for Demolition of the existing footbridge and construction of a replacement footbridge.

Location: Havant Footbridge, Havant, PO9 2AB

Further to information received from the applicant, please replace the below 'Acoustic Screening' condition with the subsequent 'Acoustic barriers (construction phase)' condition.

CONDITION TO BE REPLACED

- **Acoustic Screening**

- *During demolition and construction activities, the site will be bound on all sides by solid site hoarding, to a height of 2.4 meters. The hoarding shall be constructed from solid, imperforate panels with a minimum mass of 17 kg/m². The edges and joints between panels will be sealed to ensure full acoustic integrity.*

Reason: *To protect the amenity of neighbouring occupiers and to ensure prompt mitigation of potential adverse impacts from noise emissions.*

REVISED CONDITION

Acoustic barriers (construction phase)

Prior to the commencement of works associated with the demolition and replacement of the railway footbridge, details of the proposed temporary acoustic barriers to be installed for the duration of the works shall be submitted to and approved in writing by the Local Planning Authority. The details shall include the location, extent, materials, specification, dimensions and mass of the barriers, together with elevation drawings at a scale of 1:50, 1:100, or other scale as appropriate.

The approved temporary acoustic barriers shall be installed prior to the relevant demolition and construction activities commencing, shall be retained and maintained in an effective condition for the duration of the construction phase, and shall be removed upon completion of the construction works unless otherwise agreed in writing by the Local Planning Authority.

Reason: To protect the amenity of nearby residents during the construction phase of the development.

Kind regards,

Craig Milligan
