

Subject: RE: Fiscal House, Emsworth

Hi Lesley

I have now had a good look at this one. Whilst I am comfortable with the height and scale, I do agree with CHC on the awkward roof form. A mansard roof is out of character with the surrounding buildings, and I feel this would result in harm to the conservation area. My response reflects that concern but also suggests some alterations which could be made (more traditional roof form and pitched roof dormers).

Please let me know if you have any queries.

Thanks

Rachael
