

14 April 2026

Dear Ms Owusu-Ansah,

LAND AND MUDFLATS ADJACENT TO, LANGSTONE ROAD, HAVANT

FLOOD DEFENCE WORKS. CONSTRUCT EARTH EMBANKMENT ALONG THE EASTERN EDGE OF LAND AS THE COASTAL PARTNERS SCHEME FOR FRONTAGE 1B, FROM CHAINAGE 0 TO CHAINAGE 145.

I refer to the detailed drawings and documents viewed on the Havant Borough Council website concerning the above planning application.

The Board's Planning Sub Committee has considered this application and offers **NO OBJECTION** to the proposal.

The Board notes that the Environmental Statement and Construction Environmental Management Plan provide an appropriate suite of mitigation measures to avoid impacts on the nearby designated sites, including adherence to restricted working periods, pollution prevention measures, and ecological supervision during construction. Providing that these measures are fully secured through planning conditions, the Board is satisfied that the development will not adversely affect the conservation features of Langstone Harbour, nor the operation of the Harbour.

We hope that these comments are of use. Please do not hesitate to get in touch, should you wish to discuss any further.

Yours Sincerely,

Megan Roberts
Environment Officer
Langstone Harbour Board
