Dear Sirs

Re 2 Bembridge Drive, Hayling Island
Planning application APP/26/00105

I wish to raise an objection to the above planning application. I believe it would be wrong and contrary to local planning restrictions to add a fourth floor to this building, as it would be out of character with other local buildings.

This is a seafront property and I do not believe it appropriate to increase the height of the building above that of its neighbour at number 4. Number 6 is a bungalow!

I look forward to hearing from you.

Yours faithfully
