60A Sinah Lane Hayling Island PO11 0HH

For Applicant:
Mr Hughes

The Town and Country Planning Act 1990
Notification of Decision

Application Number: APP/19/00870

Site Address: Land adj 56 Kings Road, Hayling Island, PO11 0PD

Proposal: Subdivision of garden and erection of end of terrace two storey three bedroom dwelling with on site parking, refuse area and secure bike store, partial demolition of existing brick boundary wall, increase in height of existing 1.5m fence on western side with trellis to 1.8m, new 0.9m high close board fence to northern boundary and new dropped kerb (alternative proposal to Planning Permission APP/18/00708) (Approved 06/12/2019). Request to discharge conditions 5, 6, 7, 8, 9, 11a, 11b & 11c (27/01/2020). Request to discharge Condition 11 (03.06.2021). [Note: Grampian condition applies contact LPA for details]

Havant Borough Council as Local Planning Authority has made the following decision relating to your request to discharge condition 11:

Condition:

11	The development hereby permitted shall not be occupied until: a) A water efficiency calculation in accordance with the Government's National Calculation Methodology for assessing water efficiency in new dwellings has been undertaken which demonstrates that no more than 110 litres of water per person per day shall be consumed within the development, and this calculation has been submitted to, and approved in writing by, the Local Planning Authority; all measures necessary to meet the agreed waste efficiency calculation must be installed before first occupation and retained thereafter; b) A mitigation package addressing the additional nutrient input arising from the development has been submitted to, and approved in writing by, the Local Planning Authority. Such mitigation package shall address all of the additional nutrient load imposed on protected European Sites by the development when	Fully Discharged	20/04/2026
----	--	------------------	------------

	fully occupied and shall allow the Local Planning Authority to ascertain on the basis of the best available scientific evidence that such additional nutrient loading will not have an adverse effect on the integrity of the protected European Sites, having regard to the conservation objectives for those sites; and c) All measures forming part of that mitigation package have been provided to the Local Planning Authority. Reason: There is existing evidence of high levels of nitrogen and phosphorus in the water environment with evidence of eutrophication at some European designated nature conservation sites in the Solent catchment. The PUSH Integrated Water Management Strategy has identified that there is uncertainty as to whether new housing development can be accommodated without having a detrimental impact on the designated sites within the Solent. Further detail regarding this can be found in the appropriate assessment that was carried out regarding this planning application. To ensure that the proposal may proceed as sustainable development, there is a duty upon the local planning authority to ensure that sufficient mitigation for is provided against any impacts which might arise upon the designated sites. In coming to this decision, the Council have had regard to Regulation 63 of the Conservation of Habitats and Species Regulations 2017, Policy CS11 of the Havant Borough Local Plan (Core Strategy) 2011 and Policy E14 of the Pre-Submission Havant Borough Local Plan 2036. Details Submitted: Water use calculation received 28 January 2020 Signed Unilateral Undertaking and nutrient payment received 16 April 2026		
--	---	--	--

Fully Discharged : The details hereby approved are considered to be in accordance with the relevant adopted policies of the Council, in particular the policies contained within the Havant Borough Local Plan (Core Strategy) 2011.

Other Important Information:

1.	This notice only relates to the decision of Havant Borough Council as Local Planning Authority under the Town and Country Planning Acts. It does not relate to any other application that may be required under the Building Regulations or under any other Act, Regulation, Byelaw or Order where the Council's approval may be needed. For further guidance as to the need for consent under the Building Regulations please phone 023 9244 6571.
