

Planning Application Reference: APP/26/00194

Description: Discharge of conditions 10 and 16 of Planning Permission APP/21/00399.

Location: Waterloo Park, Elettra Avenue,, Waterloooville

Condition 10

The Costa Coffee Waterloooville Servicing and Deliveries Management Scheme (dated)12.03.2026 has been reviewed.

It is noted that there is no information regarding times of deliveries or waste collection. There are concerns that deliveries or collections at sensitive times may result in adverse impacts to residential amenity.

Further information detailing times when deliveries and collections may take place is therefore required. Deliveries and waste collections should be restricted so as not to occur at sensitive times.

Condition 16

I am satisfied that the information submitted in cover letter is sufficient to discharge the condition as no external extraction plant is to be installed.
