Dear Jennie,

APP/25/00729 | Proposed landscaping works, including garden walling and new gate. Replacement greenhouse. Relocation of existing shed (Approved 05/12/2025). Request to Discharge Condition 3 received 06/01/2026 (see APP/26/00005). | 9 Harbourside, Havant, PO9 1TJ

Thank you for consulting me on this discharge of condition submission.

I am content that the Construction Environment Management Plan (Mr R. Carrell, January 2026) submitted for Condition 3 is generally acceptable.

The key mitigation measure is the avoidance of works during the sensitive overwintering period. Other measures are detailed to avoid potential impacts to the adjacent sensitive coastal habitats.

If you have any queries, please don't hesitate to contact me.

Kind regards,

Tristan

Advanced notice of leave:

In August 2025, the council moved to a new case management system, across Planning Development, Licensing and Environmental Health. This change involved moving 25 years' worth of data from multiple systems into one new system and learning how to use the new system. Our officers have been working hard to continue working throughout the change, but there was a period of downtime, and we are still working through some of the backlog. As a result, our response times are longer than usual, and we apologise for any inconvenience this may cause. Thank you for your understanding and patience.
