Good Evening David,

My apologies for not having got around to this one – [REDACTED]

[REDACTED] I've reviewed the later submission, and note that it covers off the previously omitted details pursuant to c.40 a) – f). Some details are implicit rather than explicit, but I think the submission is clear enough and I'm happy to recommend that condition 40 be discharged in full.

I trust that this informal email is sufficient for your purposes – if not, let me know and I'll send over a memo-style response for completeness.

Best Regards,

Jon
