Overall, I would anticipate that the proposed extension could be supported at planning application stage – but please note that without the benefit of a site visit at this pre-application stage, we cannot predict fully any third party comments or consultee responses that might be received so cannot guarantee the outcome of any planning application.

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
