Dear Planning Officer

I am writing to formally object to the above planning application for a 2 Storey and 1 Storey extension to existing commercial space ground floor building at 86 Bedhampton Road.

As a resident at [REDACTED] I believe this will have a significant adverse impact on myself and the local area for:

- 1) Loss of privacy and buildings will overlook my property
- 2) Will effect my rights of light and air and noise.
- 3) Traffic and Parking. The proposal does not provide sufficient off street parking. From my property and to 86 and beyond can become extremely congested and could present a safety risk. This has been fully detailed in the the attached document from Laister Planning Ltd under the instruction of [REDACTED]

Given these concerns I request that this application is refused.

Yours faithfully

[REDACTED]

Document attached./
