**For attention of Ms Fox**

Dear Madam

**Re: APP/26/00253 At 100 Bedhampton Road, Havant, PO9 3EZ**

**Single storey rear extension to dental practice.**

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wishes to make the following comments.

The applicant is seeking consent for a rear extension to an existing dental practice providing a large staff room along with locker and changing room. The proposed change/extension does not lead to an increase in the number of practice rooms on the premises.

Given the above the Highway Authority are satisfied that this would not have any detrimental impact on the wider highway network.

**Recommendations**

These proposals have been considered and in review are not anticipated to result in a significant impact to the safety or operation of the local highway network. Therefore, the Highway Authority have no objection to the proposals.

Yours faithfully,

Louis Aplin-Haynes
