This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.

Applicants for planning permission are required to make a statement as to whether they believe the biodiversity gain condition will apply if permission is granted, please confirm:

- ☒ It is my belief that if permission is granted for the development to which this application relates the biodiversity gain condition would not apply

*A 'householder application' means an application for planning permission for development for an existing dwellinghouse, or development within the curtilage of such a dwellinghouse for any purpose incidental to the enjoyment of the dwellinghouse which is not an application for change of use or an application to change the number of dwellings in a building.

Details of the pre-application advice received

Design & Appearance

- Front extension is behind the building line, which is positive.
- Officers feel the proposed front gable may be too visually dominant compared to neighbouring original houses.
- A hipped roof design at the front is more likely to gain approval.
- Side extension design may be acceptable.
- Rear extensions (both hipped and gable options) may be acceptable.
- Crown roof could potentially be supported because the house would still appear pitched and No.19 already has a crown roof.
- Slate roof may be acceptable.
- White render could be acceptable but officers suggest a softer colour or breaking it up visually.

Neighbour Impact Concerns

- No.26 Fernhurst Close
- Main concern is unacceptable loss of light and outlook to the ground floor side window.
- Officers recommend redesigning the two-storey side extension to comply with the 45-degree rule.
- First-floor side hallway window should be obscure glazed and fixed shut (or only open above 1.7m).
- Wider impacts on No.26 may be acceptable subject to a further site visit.

No.28 Fernhurst Close

- Overshadowing and overbearing impacts may be acceptable after further assessment.
- Proposed first-floor bedroom side window is likely unacceptable due to overlooking.
- Officers recommend changing the internal layout or using an obscure glazed bathroom window instead.

Parking & Ecology

- Three on-site parking spaces are required and appear achievable.
- Council ecologist believes the development is unlikely to create ecological impacts or bat issues.

Other Notes

- CIL forms must be completed.
- If additional floorspace exceeds 100sqm, an exemption form may be submitted.
- Final decision is not guaranteed — these are officer opinions only and are not binding.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

☒ No

Certificate Of Ownership - Certificate A
