Dear Mr Lakhan

**Havant Thicket Reservoir Implementation:
Application to Havant Borough Council to re-discharge Condition 4 on application reference
APP/24/00312**

Further to our recent conversations, on behalf of Portsmouth Water's appointed contractor, Future Water JV Ltd, I am writing to formally apply to re-discharge planning condition 4, relating to the detailed phasing plan as part of the implementation of Havant Thicket Reservoir.

The Detailed Phasing Plan has been updated to only reflect the amended timescale for the remaining phases of RMA submissions to allow for sufficient time for pre-application consultation. The remaining phases and anticipated submission dates are:

- Phase 4 – Southern Access Road – Q2-3 2026
- Phase 6 – Forestry England track culverts – Q2-3 2026
- Phase 7 – Spillway and bi-directional pipe – Q3 2026 (combined with Phase 8)
- Phase 8 – Remaining areas of hard and soft landscaping – Q3 2026 (combined with Phase 7)
- Phase 9 – Visitor Centre and associated visitor amenities – Q3 2026

We trust that these amendments to the Detailed Phasing Plan are acceptable and in line with the LPAs aspiration to ensure stakeholders and Councillors understand the finalisation of the reservoir construction and landscaping proposals. We would therefore be grateful for the LPAs re-discharge of the condition at the earliest opportunity.

The application has been submitted through the Planning Portal as reference PP-14935590 and the application fee of £309 (plus the administration fee of £91) has been paid online. The Application comprises:

- This covering letter
- The application form
- Detailed Phasing Plan V.12 (HTR-FUW-RZ-RE-DP-W-507)

A duplicate application has been submitted to East Hampshire District Council.

If you have any queries on the application or require any additional information, please contact me on 07941113896 or a.turner@adamshendry.co.uk

Yours sincerely

Andy Turner
Technical Director
