For attention of Ms Pickup

Dear Madam

Re: APP/26/00251 At 6-8 Hazelwood Avenue, Havant

Conversion of building between 6-8 Hazelwood Avenue to form 1No two bedroom bungalow with off road parking refuse and cycle store.

Thank you for consulting the Highway Authority on the above planning application. The Highway Authority wishes to make the following comments.

As the application is for 5 dwellings or less, and onwards there is no required change of vehicle access onto the highway, HCC's Highway Standing Advice should be referred to in the first instance. This can be viewed via the following link under the heading Consultation with the Highway Authority
<https://www.hants.gov.uk/transport/developers/consultation>

The Highway Authority note that only 1 parking space is proposed as part of this application. It is noted that this application will convert the building between 6 and 8 Hazelwood Avenue into a 2-bedroom C3 dwellinghouse. In accordance with Havant Borough Council parking standards a building matching this description must provide a minimum of 2 vehicle parking spaces. The Planning Authority in their capacity as the local parking authority should confirm whether this parking provision is appropriate for the proposed development.

Yours faithfully,

Louis Aplin-Haynes
