**Re: Amended Demolition and Construction Management Plan**

The RGP document entitled '*Demolition and Construction Environmental Management Plan | Reference: 2024/8275/DCEMP01*' (dated May 2026) has been reviewed.

I am satisfied that the dust and noise control measures detailed in the plan are appropriate for the development, it is recommended that the development is conditioned in accordance with the RGP *Demolition and Construction Environmental Management Plan | Reference: 2024/8275/DCEMP01*' (dated May 2026).

Kind regards
