Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

☒ Yes

☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

To the rear face of the property there is a ground floor kitchen bay window facing in to our garden. We would like to extend the bay window out by 2.3 m into the garden using the same heritage brick work and the same windows with french doors opening into the garden. The roof will be flat EDPM with a small lantern to allow light entry. The extension will feature french doors in the same material and style as the rest of the house windows. The extension will be behind the courtyard wall and not visible to our closest neighbour. Additionally, the height will not increase of the existing bay window height.

The purpose of the extension is to allow a breakfast/dining table to fit adjacent to the new kitchen island.

Does the proposal consist of, or include, a change of use of the land or building(s)?

Has the proposal been started?
