Subject: FW: Re: APP/26/00227 - Mark Anthony Court Estate, roof replacement, Consultation Comments Please

Dear Tim,

[Redacted text] I apologise for the delay in my comments.

There is a single Tree Preservation Order (TPO) tree located within the site. Having reviewed the proposed works, I am satisfied that the tree is positioned at a sufficient distance from the development area and will not be adversely affected by the proposal.

The tree is unlikely to be impacted by any direct construction activities, nor will it be affected by the storage of materials, the operation of plant and machinery on site, or vehicle movement and parking associated with the development.

On this basis, I have no arboricultural objections to the application.

Best wishes
