

The map shows a residential area with several lots. A red line outlines a specific area containing several trees labeled T3, T4, T5, T6, and T7. T3 is a large tree with a blue outline, while the others have pink outlines. A legend in the top right corner identifies the symbols: a green circle for Category A, a blue circle for Category B, a grey circle for Category C, a red circle for Category D, a black circle for Category E, and a pink circle for Road Protection Area. The map also shows a road labeled 'ARRAGON COURT' and a building labeled 'LB'. Other lots are numbered 5, 5a, 6, and 7. A hatched area is also visible within the red-outlined area.
