Hi Jamie

Thank for this.

Just a query, the condition requires a pre-commencement meeting with your goodself to ensure all matters are complied with. Are you content for the condition to be signed off, prior to the meeting taking place?

Many thanks Lesley

WORKING PATTERN – Tuesday, Wednesday, Thursday

Notification of Leave: 8-10/9/26

Please note that officers within the Development Management Team are currently experiencing high workloads and we currently have reduced capacity within the Team to respond to enquiries as quickly as we would like to be able to. In the current circumstances your patience would be appreciated.

Service news:

In August 2025, the council moved to a new case management system, across Planning Development, Licensing and Environmental Health. This change involved moving 25 years' worth of data from multiple systems into one new system and learning how to use the new system.

Our officers have been working hard to continue working throughout the change, but there was a period of downtime, and we are still working through some of the backlog. As a result, our response times are longer than usual, and we apologise for any inconvenience this may cause.

Thank you for your understanding and patience.

Hi Lesley

Thank you for the consultation regarding the DOC for this site – I can confirm that in respect of condition 9 imposed on permission APP/20/00441 the submitted report from SJA is adequate for this Arboricultural condition to be signed off.

Best wishes
