Dear Robert,

Re: Planning Application: APP/26/00421 - 21 Church Road, Hayling Island, PO11 0NN

Thank you for consulting Surrey County Council's Historic Environment Planning Team regarding the above planning application. Please note that my response relates solely to the buried archaeological heritage and not to the historic built environment, which is a matter for your Conservation Officer.

These proposals lie wholly within an archaeological alert area due to the proximity of the location of the historic St Mary's church and graveyard, however these proposals have no new ground impacts and as such there are no as-yet unknown heritage assets at risk by these proposals. As such I have **No Archaeological Concerns**, but any future application for redevelopment of this site should be accompanied by a suitable archaeological assessment and the results of a limited ground investigation survey.

I was looking to respond to this consult on the Havant Portal, but it's not been added to my to do list, please advise if this needs to be re-submitted through the portal at a later date.

Thank you and kind regards,

Matt Saywood BA (Hons) MCIfA
