For attention of Mr Furmidge

Dear Sirs

Re: APP/26/00402 At : Petrol Filling Station, 97 Park Lane, Bedhampton, Havant, PO9 3HQ

Installation of a modular self-service launderette facility and associated works. (Retrospective)

Thank you for your consultation on the above planning application. The Highway Authority wish to make the following comments. This application seeks retrospective consent for the installation of a modular self-service launderette at a Petrol Station along Park Lane, Bedhampton.

It is unclear whether this new facility has resulted in an increase in trip generation as no narrative or statistics have been provided. However, it is recognised that there are only 3 machines for customers to use, which is unlikely to result in a significant increase in trip generation. Therefore, the Highway Authority are not concerned regarding this matter.

It is noted that the laundromat may have resulted in the loss of a vehicular parking space. Based on drawing 26037-P02 and satellite imagery from google maps, the geometry of the laundromat appears to overlap with the position of a parking space. The Highway Authority note that this application contains no narrative regarding this matter. The applicant should consult with the LPA if any parking spaces have been removed as part of this proposal.

Recommendations

Director of Universal Services
Patrick Blogg

These proposals have been considered and in review are not anticipated to result in a significant impact to the safety or operation of the local highway network. Therefore, the Highway Authority have no objection to the proposals.

Yours faithfully,

Louis Aplin-Haynes
