For attention of Ms Pickup

Dear Madam

Re: APP/26/00150 At 79 London Road, Waterlooville, PO7 7EL

Retention of one class E commercial unit at ground floor level and change of use of the remainder of the building to a 12-bedroom (16-person) house in multiple occupation (Sui Generis), including part ground and first floor rear extensions and construction of a mansard roof extension at 79-79A London Road Waterlooville

Thank you for your re-consultation on the above planning application. The Highway Authority wish to make the following comments.

The applicant has provided swept path tracking as requested in our previous response. This curtails to all 5 parking spaces on site. However, this tracking has not been provided in accordance with the guidance in Technical Guidance Note TG2: <https://documents.hants.gov.uk/transport/TG2-AlignmentDesign.pdf>. The applicant should confirm the dimensions of the vehicle, as well as tracking speeds.

Recommendations

As such, the Highway Authority recommends a holding objection until further information has been provided which addresses the issues raised in this response.

Yours faithfully,
