For attention of Ms K Taylor

Dear Kayleigh,

**Re: APP/25/00903 At Grainger Development Site Land West of London
Road Waterlooville**

**Discharge of condition 11 of Planning Permission APP/10/00828 - Phase
4 Infrastructure CEMP**

Thank you for your reconsultation on the above planning application. In response to previous comments dated 02 March 2026, the applicant has submitted a revised CTMP Rev E dated April 2026 which the Highway Authority have reviewed and wish to make the following comments.

Outstanding matters within the CTMP related to PROW matters only. Having reviewed Section 8 (Managements of Public Rights of Way), the comments raised previously do not appear to be included within the document. These matters are required to be incorporated within the CTMP prior to any approval and therefore the pervious comments dated 02 March 2026 still stand.

The Highway Authority welcome engagement with the applicant to resolve these outstanding matters so that condition 11 can be formally discharged.

Yours faithfully,

Sophie Osborne
Senior Transport Planner - Highway Development Planning
